

## Communications Committee June 2022 Committee Report

### Communications Committee members

Lynda Kerney, Chair	<a href="mailto:Lyndajk2020@yahoo.com">Lyndajk2020@yahoo.com</a>
Lisa Wilson	
Monica Estrada	

### Facebook page

Three updates have been posted to the Facebook page:

1. Board meeting photo (Monica)
2. April President's Brief (Lynda)
3. Morningstar Cocina opening (Lynda)

### Website

Website content is being generated.

A meeting was held earlier in June with Dan, Dave, Lynda and Fred to review website layout. The April President's Brief was submitted but has not yet been posted.

Fred and Lynda reviewed the layout and home page tabs. The cumbersome turtle video file will be replaced with a still photo to allow quicker loading of the page. Fred will work on design of the site.

Lisa and Lynda have been exchanging ideas, developing priorities, and creating content. Once all new content has been developed, it will be shared with the Board for review and comment prior to posting.

### Community Introspective Survey

The survey has been placed on hold until the fall. There have been some logistical challenges and work time constraints, but primarily the survey questions failed to meet the approval of the Board President.

### President's Brief

The working draft of the June President's Brief content has gone out to several Board members for review. Revisions are being made and a new preview draft will be available for the Board at the June 14 meeting.
