

National Guard Report of July 2022

In July, patrols and operations intensified,

3 daily patrols of approximately 4 hours are made, and the Akumal Norte area, Akumal Pueblo, to Bahía Príncipe, through the different Bahías, Chemuyil and San Chemuyil is covered.

In coordination with the Municipal Police, 2 daily operations are also carried out, with a duration of approximately two and a half hours.

In these operations and patrols, armament, marijuana and other narcotics have been confiscated, and 4 people have been arrested.

In this month there has also been a continuous communication with General Brigadier Alberto Román, coordinator of the National Guard in Quintana Roo, as well as the Director of Police and Transit of the municipality of Tulum the director Aparicio, and with Captain Ortega also of the National Guard, this continuous communication is mainly for the analysis of the work together, of GN, Municipal Police and with the Association, of these talks stood out, that protocols or manuals must be carried out so that both tourists, administrators and settlers in General of Akumal know that steps to follow in case of needing, with whom they must contact according to the help they require, and in the next few days we will meet in person to be able to develop them among all the organisms that integrate the security of Akumal.

An English course has been given daily to the guards at the Akumal base, mainly teaching them phrases, and dialogues that they should know to be able to communicate with the tourist who needs help, or gets into trouble, and this course has had Much interest on the part of the guards.

Elizabeth of CEA also kindly agreed to give a talk on August 6 of recycling and there was also a great interest from the guards.

The GN barracks, as you know is in the building that was going to be destined to the Community Center, lent itself to the GN, but thanks to the donations of the members of the association, it could be equipped according to the needs of the GN, this particular month thanks to Jamie Cost and Jennifer Smith, the guard could have another refrigerator, since the one they had stopped working, and both Jamie and Jennifer, donated a freezer and a refrigerator,

And finally, the pet of the guards, Kilo, it is still the most popular of all, especially when he goes in his guard role in the GN vehicle.
