

A Look Back at Seven Years of Accomplishments

"It Takes a Dedicated Team to Build a Community"

- Negotiated continuing agreements with Tulum
- Built the Community Center/Police Office Building
- Completed the paving of the roads, rain drains and topes
- Initiated the solar street light program
- Established the strongest security in the region with a local Guardia Nacional base
- Rebuilt the security office at the pluma
- Negotiated with Xcaret to build a parking lot for vans at Yalku Lagoon
- Brought Vecinos to a sound financial footing
- New operating and communications systems: website, accounting, credit card processing, CRM
